

RPA

# HIGHLAND STALKER

**A high performance multi-shot sporting rifle manufactured from RPA's world beating products, designed for professionals and enthusiasts alike.**

The RPA Highland Stalker incorporates a new quadlite® action chambered for the longer cartridges normally associated with highland or open country shooting.

Extremely accurate the RPA Highland Stalker has all the benefits associated with

the RPA Hunter rifles plus the following additional features.

The RPA Highland Stalker has a black ambidextrous stock fitted with an adjustable cheek piece and adjustable butt plate.

The fluted barrel is threaded for a muzzle brake or sound moderator.

Available in 270 Win, 25-06, 30-06 and 6.5 x 55 with a choice of 3 or 5 shot magazines.

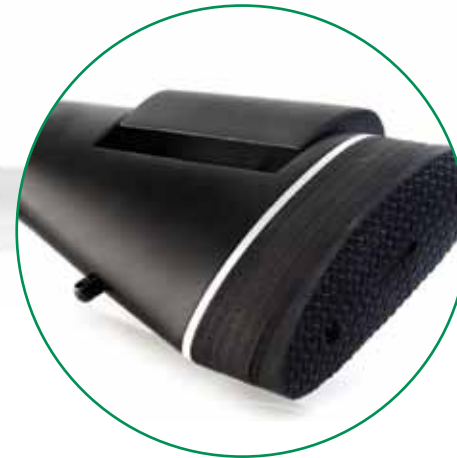

Quadlite® Bolt Face

Optional Bipod

5 Round Magazine

Adjustable Cheek Piece

ABSOLUTE PRECISION
